

Safety Information

AC Input Voltage Range:

Voltage Rating: 100 -125V, 15A

Termination Type:

AC US Male power plug, IEC female

Application:

Power equipment

Safety Notes:

Always connect or disconnect the power cable by using the ***power plug*** or ***IEC plug***, **NEVER** pull the cable for connection or disconnection. When using your new cable, please be careful as speaker spikes and audio rack feet may cause damage.

Modifications:

CAUTION: DO NOT SUBSTITUTE PARTS OR MAKE ANY MODIFICATIONS. MODIFICATION MAY CREATE SAFETY HAZARDS INCLUDING INJURY OR GETTING KILLED, AND WILL VOID THE WARRANTY.

Repairs:

CAUTION: DO NOT SERVICE OR REPAIR THIS PRODUCT. PLEASE CONTACT CUSTOMER SERVICE FOR REPAIRMENT OR SERVICE

Support:

Our goal is to build products that you will appreciate for years to come. We are confident that you will appreciate the performance, build-quality and style of our products. All products are robustly built and designed to last a lifetime and are backed by our 5-Years warranty. Since each product is handcrafted and natural materials may be used (e.g. natural wood, hand-finished resin), slight variation may appear but won't affect product's performance.

Our Customer Service will work with you to attain the highest level of performance from whichever product you decide to purchase. Feel free to contact us with your questions anytime and about your experience using our products.
